2015 Rhode Island Clean Energy Future Awards

The Office of Energy Resources (OER), in partnership with the Energy Efficiency and Resource Management Council and National Grid, is proud to announce the opening of nominations for the **2015 Rhode Island Clean Energy Future Awards**. The **Clean Energy Future Awards** recognize individuals, companies, and/or organizations that show exemplary achievement and leadership in promoting energy efficiency, renewable energy or alternative clean transportation throughout the Ocean State. Up to four winners will be chosen based on demonstrated excellence and accomplishment.

To be considered, individuals must be Rhode Island residents and companies and organizations must be located in Rhode Island. Applications must be submitted by January 16, 2015. Winners will be notified in February 2015 and will be presented their awards at the 2015 Energy Expo at the Rhode Island Home Show at the RI Convention Center (time and date to be determined).

Please complete the application and return it by email to Barbara Cesaro at the Office of Energy Resources (Barbara.Cesaro@energy.ri.gov) or by mail to:

Email: _____

1. Describe, in detail, the nominee's achievements in the field of energy efficiency, renewable energy or alternative transportation that warrant special recognition.

2. What measurable and significant impacts did the nominee's achievements have on advancing clean energy resources in Rhode Island? How were these impacts determined? What other positive impacts have the achievements resulted in?

3. Describe how the nominee has shown leadership among their peers in fostering the promotion of energy efficiency, renewable energy, and/or alternative transportation.

4. Describe any other information that you believe the selection committee should consider when evaluating the nominee.
